Annex-VII⁴⁵
Guidelines of the Department of Disinvestment
(Refer Clause 1.2.1)

No. 3/9/2016-DoD-II-B Government of India Department of Investment & Public Asset Management Block 14, CGO Complex New Delhi. Dated: 28th September, 2017
OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like Net Worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. ‘Grave offence’ is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government. ‘Grave Offence’ would include the below noted cases:

- a) Only those orders of SEBI are to be treated as coming under the category of ‘Grave Offences’ which directly relate to ‘Fraud’ as defined in the SEBI Act and / or regulations.
- b) Only those orders of SEBI that cast a doubt on the ability of the bidder to manage the publicsector unit, when it is disinvested, are to be treated as adverse.
- c) Any conviction by Court of Law.
- d) In cases in which SEBI also passes a prosecution order, disqualification of the bidder should arise only on conviction by the Court of Law. In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or its Associate Company as defined in Companies Act, 2013 would result in disqualification. The decision in regard to the relationship inter se between the concerns, would be taken based on the relevant facts and after examining whether the two concerns are substantially

⁴⁵ These guidelines may be modified or substituted by the Government from time to time

controlled by the same person/ persons. In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.

Any bidder, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.

- (a) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- (b) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.

These criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority, which if decided against the bidder, may disqualify the bidder in terms of (a) & (b) above or the eligibility criteria prescribed in the EoI, is pending against them. In case any investigation is pending in case which if decided against the bidder, may disqualify the bidder in terms of (a) & (b) above or the eligibility criteria prescribed in the EoI against the bidder or the concern in which the bidder has substantial interest or against its CEO or any of its Directors/ Managers, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be filed along with EOI.
